Consulate General of France in Toronto

22/09/2026

Objet : long-stay student visa

After a Bachelor of Commerce in Toronto, I have been admitted to the MSc International Business at Horizon Business School Paris, starting on 19 October 2026.

This one-year programme builds on my coursework in international trade and will let me work in French, a language I have studied for six years.

After graduating I plan to return to Canada and join the export department of a Canadian company working with European partners.

Je vous prie d'agréer, Madame, Monsieur, l'expression de mes salutations distinguées.

Lucas Ferreira
